

(A)

Decisions of the UGBOS in Geography held on 31.07.2018, regarding UG Examination in CBCS System

1. For 75 marks or 6 credit theory course:

FM 75	End Semester to be taken by University	Internal assessment	
	50	25	
	Courses without practical	Attendance	Continuous evaluation
		5	20
	10 marks × 02 = 20 (2 out of 3) [may be suitably split into 2 parts keeping the spirit of the topic in mind] 05 marks × 04 = 20 (4 out of 7) 02 marks × 05 = 10 (5 out of 9)	Details of marking of attendance given in regulation	a) At least 3 class tests of 20 mark each to be taken and then averaged. b) Answer scripts to be preserved by college for future reference. These should be preserved until publication and review of result is complete.

2. For 50 marks or 4 credit theory course:

FM 50	End Semester to be taken by University	Internal assessment	
	40	10	
	Courses without practical	Attendance	Continuous evaluation
		2	8
	10 marks × 01 = 10 (1 out of 2) [may be suitably split into 2 parts keeping the spirit of the topic in mind] 05 marks × 04 = 20 (4 out of 7) 02 marks × 05 = 10 (5 out of 9)	Details of marking of attendance given in regulation	a) At least 3 class tests of 8 mark each to be taken and then averaged. b) Answer scripts to be preserved by college for future reference. These should be preserved until publication and review of result is complete.

3. For 25 marks or 2 credit practical course:

FM 25	End Semester to be taken by University	Internal assessment	
	10	15	
	Courses with practical	Attendance	Continuous evaluation
		3	12
	In the form of a Grand Viva-voce and hands on exercise. The candidate shall be barred from appearing in the examination if in the Lab Note Book at least 60% of practical assignments are not duly signed by the respective teacher in the college. The break-up of marks will be as follows: Grand viva = 6 and Hands on exercise = 4. For practical courses with instrument handling or computer related component (GEOACOR04P and GEOACOR12P) the marking system will be as follows: Grand viva = 5 Hands on exercise = 5	Details of marking of attendance given in regulation	c) At least 3 class tests/ hands-on exercise of 12 mark each to be taken and then averaged. d) Answer scripts to be preserved by college for future reference, until publication and review of result is complete. e) Practical Note Book to be done in class and signed by concerned teacher on that day.

4. For practical courses GEOACOR01P and GEOACOR02P there will be 10 practical centres and two examiners will be allotted to each centre.
