

Urgent notification for all external examiners who are taking viva voce for SEM 1, SEM 3 and SEM 5 in Geography Honours

All external examiners who are taking viva voce for SEM 1, SEM 3 and SEM 5 in Geography Honours are hereby notified that each student will appear only once for Viva, and the external examiner will have to take viva voce for both the papers during that time. This decision has been taken by the UGBOS in Geography in view of the shortage of available dates for conducting examination.

All Examiners of SEM 1 will take both GEOACOR01P and GEOACOR02P

All Examiners of SEM 3 will take both GEOACOR05P and GEOACOR07P

All Examiners of SEM 5 will take both GEOACOR11P and GEOACOR12P
