RELATIONSHIPS | RIGOUR | RELEVANCE

**AN INVITATION  
TO PURSUE  
EXCELLENCE**

**ARE YOU** driven by the idea of making a difference in the lives of many children? Do you seek a life of purpose? Perhaps you are looking to maximise your abilities and to have significant impact on society. Maybe you're energised by the idea of a professional position that not only gives you immense satisfaction, but also confers financial stability, status and respect. You want to be the best by being with the best! If the answer is a **big yes**, you're staring at what might be a life-changing and life-making opportunity for yourself. **Come and see us.** We've built an enviable reputation over 40 years of being a humongous and wildly successful talent factory!

**RESEARCH INDICATES** that talent flourishes most when surrounded by talent. In our schools and workplaces you will find yourself immersed in a sea of gifted people. Both, our staff and students, achieve at the highest levels. Whether you're a fresh graduate exploring your options, or an experienced or a beginning educator, our schools and workplaces will offer you state-of-the-art environments to hone and sharpen your skills to world-class levels. We take growth and development of our stakeholders very, very seriously. **Come and take advantage!**

**BUT BE WARNED.** We will expect nothing less than the best from you. We are very patient if we see talent and enthusiasm combined with discipline, sincerity and a strong work ethic. We are not so patient and forgiving with those who don't aspire to the highest standards. We create the opportunities. It is for you to take them and leverage the unusual access to resources in our schools and work places. **Come.** Be a part of history. Education is finally moving into the 21st century and our schools and work places will put you into the centre of all the innovations and smack in middle of a vast pool of creative energy.

**JOIN US** and learn why close to 10000 students and almost a thousand educators in our schools are buzzing and humming every day. What drives their success can also work for you. Our schools and workplaces are transformational and enable ordinary people to achieve the extraordinary. 😊

### **Vision TGES: Education is the Birthright of Every Child**

A **four-decade young Institution** with over **10, 000 students and over 1000 educators**. The Galaxy Education System (TGES) caters to ALL boards (IB to State Board Vernacular language). TGES has adopted a few Municipal schools, graduate them to English Medium, and tries to minimise the InEquity in Education.

We are eager to recruit students from your esteemed organization - West Bengal State University, as we are aware that your students are sharp, willing to learn, and possess a deep understanding of at least any one of the four major subjects - namely English, Mathematics, Sciences (Physics, Chemistry, Biology), and Social Sciences (History, Geography, and Civics). We are happy to recruit Post Graduate and Ph.D. students.

We would need about 2 to 2:30 hours for our interactive presentation.

This will be followed by a few written tests and Personal Interviews.

We usually provide the offer letters on the same day after completing our processes.

**Our Salary offerings are in the range of 4.8 Lacs per annum to 7.2 Lacs per Annum - depending on various factors.**
