Advertisement for engagement of Two Project Assistants for a DST-SEED funded project in the Department of Botany, WBSU

Two posts of Project Assistants are available in the Department of Botany, WBSU in a Department of Science and Technology, Government of India, SEED division (DST SEED) funded project (File No. SEED/WS/2023/874), entitled "Bioremediation and recycling of parboiled rice-mill waste-effluent for sustainable hydroponics and indigenous fisheries by women" under **PI, Dr. Krishna Ray** in collaboration with IISER Kolkata and Sarat Centenary College till the termination of the project.

For Project Assistants to be engaged at WBSU:

No. of Positions: Two

Salary: Rs. 20000/- per month +27% HRA

Qualification: M.Sc. in any branch of Life Sciences

Desirable: Experience in both field work and lab-based work in relevant areas, GATE/NET qualification.

It is a purely temporary position, co-terminus with the project. The engaged person cannot claim any permanent service at the university after completing the tenure of engagement. The engagement and progress of the individual will be reviewed every month and the tenure would continue on the basis of satisfactory performance. At any point of your engagement, if performance is found to be dissatisfactory by the PI, engagement will be discontinued without any notice.

Candidates are requested to send their applications for the above post through email (**Dr. Krishna Ray, kray91@gmail.com**) with the subject line "**Application for the Project Assistant for a DST-SEED funded project in WBSU, Dept. of Botany**" with complete biodata, contacts and copy of mark sheets, testimonials, proof of experience in form of publications, project report etc. by **12.09.2024, by 5 PM.**

Shortlisted candidates will be informed through email or phone calls for physical interview.
