Certificate from the supervisor

This certifies that Debajyoti Maiti's project report, "Studies on the effects of (SiO<sub>2</sub>/ K<sub>2</sub>O) molar ratio on mechanical properties of China clay based-geopolymer" which he submitted to the Department of Chemistry at West Bengal State university to partially fulfill the requirements for the Master of Science degree, is a legitimate work that he completed under my supervision and guidance between April and May of 2024. No other university or institutions has received the results contained in this report for the purpose of awarding a degree or diploma.

**Letter of Reference for MS. DISHARI SAHA**

It is a great pleasure to write a letter of reference for **MS. DISHARI SAHA**, a MS student (Registration No 1372021400007, Batch 2023-2025) in the Department of **Chemistry, West Bengal State University**, was a visiting research scholar in my group at Department of **Chemical Sciences, IISER-Kolkata** during April 2025 – May 2025. Ms. Saha was involved in synthesis and characterizations of *transition metal complexes involving redox-active ligands*. Ms. Saha has gathered some in hand experience in <sup>1</sup>H NMR spectroscopy, EPR spectroscopy and UV-VIS-NIR spectroscopy apart from synthetic work during the period mentioned above. She was hard-working and obedient student. I wish her success in future research endeavor.

TO WHOM IT MAY CONCERN

This is to certify that **Piyali Jana** has completed her master thesis (01.04.2025 to 30.05.2025) under my supervision on the following research topic "**A precursor to generate mesoionic carbene (MIC) ligands**". She has also learnt to handle the air sensitive carbene complexes under an inert atmosphere using the Schlenk line technique. Her performance on the aforementioned topic was really good.

I wish her all success for his future academic career.

Sincerely yours,
