

Workshop on Metagenomics and Championship

The Department of Microbiology, West Bengal State University organised a two days **“Workshop on Metagenomics and National level Competition in Association with Makeintern & Shaastra (IIT Madras Event)”** convened and co-ordinated by **Dr. Tapti Sengupta**, on 26th and 27th November 2019. Students from Department of Microbiology, Botany and Physiology of WBSU and affiliated colleges participated in the event followed by the competition to select National Level participants to represent at IIT Delhi. Speaking at the inaugural session, Honorable Vice Chancellor of the University, Professor Basab Chaudhuri, highlighted the importance of this workshop and the value of Metagenomics in the field of Genetics and DNA technology. The expert of the day was from IIT Madras who conducted the written examination.

The Final **Wetlab National Championship** was held on **9th February, 2020 at IIT Delhi**, where 6 students from Department of Microbiology and Botany of WBSU participated and presented their projects.

Workshop on Metagenomics

In Association
with Makeintern & Shastra (IIT Madras Event)

VENUE : Department of Microbiology
Seminar Hall, West Bengal State University, Barasat, Kolkata

- ✓ Industry Experts as Trainers.
- ✓ All Participants Will Receive Certificate in Each Round.
